P_t = Comparative price of tender under consideration

P_{min} = Comparative price of lowest acceptable tender

X = **Points** assigned to price

P_{bee} is the number of points awarded to the tenderer based on his certified B-BBEE status level

7.4 Risk Tolerance

The JDA has adopted a Risk Tolerance Framework (RTF) which enjoins the JDA to consider its risk exposure to contractors / service providers in terms of the number of contracts awarded to a single contractor / service provider in a particular year.

The greater of R 8million or four contracts / projects in the current financial year or
The greater of R12 million or six contracts / projects over two financial years (current year and previous financial year).

A risk analysis shall be undertaken on the bidder with the highest number of points obtained, to determine whether the tenderer does not exceed the JDA's risk framework criteria as stated above. In other words, whether it falls within the ambit of the Risk Tolerance Framework as acceptable.

JDA reserves the right to award a contract to a bidder who has exceeded the threshold as stated above.
