**RE: The channels of reporting fraudulent and Corrupt Activities**

The City of Johannesburg has a **zero-tolerance approach to Fraud, Theft, Corruption, Maladministration, and Collusion** by suppliers with employees. To reinforce this commitment, more channels have been added to report any Fraudulent and Corrupt activities.

Instances of corporate fraud and misconduct remain a constant threat to service delivery. The City of Johannesburg took a resolution to adopt strategic interventions aimed at combating fraud and corruption. The City took a decision to centralized the reporting of fraudulent and corrupt activities through the establishment of an independent fraud hotline which is managed by independent service providers.

All people doing business with the Johannesburg Development Agency are encouraged to report any corrupt or illegal practice.

Employees are encouraged to report fraud, waste or other concerns suggestive of dishonest or illegal activities.

**Anyone can report fraudulent and corrupt activities through one of the following channels:**

## 1. **INTRODUCTION**

The City of Johannesburg, Community Development has appointed the JDA to manage its capital works programme by planning, implementing, manage, and facilitate area-based developments in efficient, equitable, sustainable, and innovative ways.

The extent of the works for the Ivory Park swimming pool included but not limited to construction of two swimming pools (an Olympic and baby size swimming Pool) a grandstand that has gym, offices, ablution Block and Change Rooms, parking areas, walkways, landscaping, lighting, and fencing. Ivory Park Swimming Pool is in Region A of the City of Johannesburg in Ivory Park Ward 111, Off the Freedom Drive (25°59'54.40"S 28°11'44.23"E). The project is complete.

The invitation to bid is extended to all experienced, qualified and PSIRA registered service providers who are to provide security services for the Ivory Park Swimming Pool. The assignment should be undertaken according to stipulations that will be further outlined in the bid proposal document.

The service provider will be required to conduct active patrols and access control for the duration of the appointment, which will involve both normal office hours and after hours (day and night shifts) including public holidays, for a six months (6) period. The assignment involves monitoring services of the premises and its buildings. Catering for guarding against vandalism, theft, and unauthorized intrusions by preventing invasion of the infrastructure sites that has been developed.

The services should be cost effective as well as of a high-quality standard. It is expected that the service provider implements best practices in all aspects of the service delivery and that all of the security personnel are adequately trained to fulfil their functions.

The successful service provider must comply with Covid 19 regulations and is required to provide personal protective equipment (PPE) for its security personnel on site consistently according to the Health and Occupation standards, on a regular basis.

## 2. **SCOPE OF WORK**

### 2.1 **Operational and Physical Security required for Ivory Park Swimming Pool**

Provide six (6) armed security guards linked to an armed response to guard the Ivory Park Swimming Pool for the period of 6 months.

The service provider with at least 5 years' experience and registered with Private Security Industry Regulatory Authority (PSIRA) shall prove to the JDA that they are fully compliant with all the applicable regulations, requirement, ordinances, and legislations with respect to security services.

- 2 x armed security guards day shifts with a valid firearm license and competency certificate
- 4 x armed security guards night shift with a valid firearm license and competency certificate
- 1 x site supervisor day shift with competency certificate
- 1 x site supervisor night shift with competency certificate

## 2.2 Supervisor and Security Team

The appointed Security Company must avail a competent and qualified Security professional to fulfil the role as interface between the security company and the JDA responsible personnel.

The Security supervisor will be responsible for the following:

- Must be on-call availability for security management of incidents occurring throughout the 24hrs cycle.
- Be aware of security environment around the sites responsible for and advise the JDA of any adverse situation
- Advise the JDA of any significant deterioration of the security environment and in consultation with the JDA recommend actions to minimize risk.
- Maintain liaison with local crime prevention, South African Police services, local stakeholders, and other security companies in the precinct.
- Immediately notify the project manager of all known major incidents, physical violence or assaults and Co-ordinate site security in line with the requirements of the JDA. In accordance with direction provided to secure the facilities
- Compile monthly reports of incidents that take place in the precinct and conduct monthly meetings and ad-hoc meeting should a need arise,
- Ensure that security personnel are well presentable. To be in full branded uniform to cater for all types of weather conditions.
- Ensure 100% attendance and on time arrivals on duty of all security personnel for the day and night shift. As well as contingency plans to be in place to address any shortcomings that might arise. To meet this stipulation.
- Ensure adequate suitable security equipment and resources on and off site.

## 2.3 Security Team

The security personnel are expected to actively monitor the site through walkabouts, to be linked to control room and law enforcement services for infringements. Plus, guard against any breach of the perimeter of the defined depots sites. As well as any other risks that will be identified in the assessment of potential threats around the various sites.

- Render effective access control for the active facilities under security management
- The security guards on duty will be required to clock in at hourly intervals to confirm on-site presence through a mechanism that the security company must put in place.
- Provide an area base radio station to communicate with the control center from the various work sites.
- Security personnel must initiate corrective actions when incidences occur, emergencies or other unlawful activities. These actions may include but are not limited to notifying the South African Police Services, Emergency services, JMPD, the JDA etc.
- Ensure monitoring the peripheral areas and activities that could affect the depots sites.

## 2.4 Deployment plan

The indicative deployment plan is outlined below. To also be finalized at the inception of the successful bidder(s). However, the JDA reserves the right to reallocate security within the project to best meet the safety objectives: *Site Supervisor must Patrol the entire building at regular intervals during each shift.*

Staff compliment on site per shift: **Ivory Park Swimming Pool**

Site	Location	Day Shift	Night Shift
Ivory Park Swimming Pool	Off the Freedom Drive (25°59'54.40"S 28°11'44.23"E), Ivory Park Ward 111	2	4

### 6.3 Price and Empowerment

#### PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

The 80/20 preference point system will apply to this tender and the lowest acceptable tender will be used to determine the applicable preference point system. The 80/20 price/preference points system will be applied to the evaluation of responsive tenders up to and including a Rand value of R50'000'000 (all applicable taxes included), whereby the order(s) will be placed with the tenderer(s) scoring the highest total number of adjudication points.

Price shall be scored as follows:

$$P_s = 80 \times (1 - (P_t - P_{min}))$$

$P_{min}$

Where:  $P_s$  is the number of points scored for price;

$P_t$  is the price of the tender under consideration;

$P_{min}$  is the price of the lowest responsive tender.

Preference points shall be based on the Specific Goal as per below:

Table B1: Awards UP TO R50 mil (VAT Inclusive)

TABLE 7

SPECIFIC GOAL 1: HDI	MEANS OF VERIFICATION	80/20
<b>Maximum points:</b>		<b>10</b>

<b>Total points for Price and SPECIFIC GOALS</b>	<b>100</b>

**Service providers will be scored zero (0) for failure to claim, complete and attach evidence for Preferential Procurement Preference.**

Having completed a technical evaluation, the procedure for the evaluation of technically qualifying tenders is Method 2 (Price and Preferences). The Preference Point System assigns a score to each tenderer based on the tender price and on the tenderer's preference/specific goals. These scores are combined to determine an overall score for the tender. The tender with the highest score will be considered for acceptance.

The Preference Point System will be applied as follows:

The below will apply to the services required for this project (80:20)

- For tenders up to R 50 million
  - 80 points are assigned to price
  - Up to 20 points are assigned to BBBEE status per the table under item 7.3.1
- Points scored will be rounded off to the nearest 2 decimal places
- Bidders are to note that JDA does not bind itself to accept the lowest priced bid.
- No tender will be awarded to a bidder whose tax matters are not in order with SARS.
- No tender will be awarded to a bidder who is not registered on CSD.

## 7. Risk Tolerance

The JDA has adopted a Risk Tolerance Framework (RTF) which enjoins the JDA to consider its risk exposure to contractors / service providers in terms of the number of contracts awarded to a single contractor / service provider in a particular year.

In terms of the Risk Tolerance Framework, the JDA determines the risk exposure as excessive in instances where the value of the contracts are:

- The greater of R 8million or four contracts / projects in the current financial year or
- The greater of R12 million or six contracts / projects over two financial years (current year and previous financial year).

A risk analysis shall be undertaken on the bidder with the highest number of points obtained, to determine whether the tenderer does not exceed the JDA's risk framework criteria as stated above. In other words, whether it falls within the ambit of the Risk Tolerance Framework as acceptable.

JDA reserves the right to award a contract to a bidder who has exceeded the threshold as stated above.

Bidders will be requested to attend an interview should there be a need for clarity.

The validity period of the tender is 90 days.
