RE: The channels of reporting fraudulent and Corrupt Activities

The City of Johannesburg has a **zero-tolerance approach to Fraud, Theft, Corruption, Maladministration, and Collusion** by suppliers with employees. To reinforce this commitment, more channels have been added to report any Fraudulent and Corrupt activities.

Instances of corporate fraud and misconduct remain a constant threat to service delivery. The City of Johannesburg took a resolution to adopt strategic interventions aimed at combatting fraud and corruption. The City took a decision to centralized the reporting of fraudulent and corrupt activities through the establishment of an independent fraud hotline which is managed by independent bidders.

All people doing business with the Johannesburg Development Agency are encouraged to report any corrupt or illegal practice.

Employees are encouraged to report fraud, waste or other concerns suggestive of dishonest or illegal activities.

Anyone can report fraudulent and corrupt activities through one of the following channels:

- Toll free number 0800 002 587
- Toll free Fax 0800 007 788
- SMS (charged @ R1.50)..... 32840
- Email Address: anticorruption@tip-offs.com

1. INTRODUCTION

The Johannesburg Development Agency (JDA) is requesting proposals from experienced multidisciplinary companies and joint ventures to render professional services required for the Development Applications, Spatial Plans, Pre/Feasibility Studies, the Planning Phase, Concept Design Phase, Detail Design, Phase, and Tender Document Preparation, Construction Phase, and Handover phase of various capital projects for a period of 36 months.

2. BACKGROUND

The main purpose and objective of the JDA is to promote socio-economic growth through the development and promotion of efficient spatial environments in defined geographic areas and regenerate decaying areas of the City of Johannesburg Metropolitan Municipality (COJ/ City). This is to enable the City to contribute to economic development and improve the quality of life for residents on behalf of the City by conceptualising, designing, facilitating and implementing specific capital and non-capital projects and programmes.

JDA has shifted its focus from triple bottom line outcomes (economic, social and environmental) in the inner city and marginalised areas to an emphasis on resilient, sustainable and liveable urban areas in identified transit nodes and corridors. Every area-based development undertaken by the JDA is supported by development facilitation functions in the pre-development and post-development phases to enhance the value added by the capital works interventions and improve the longer-term sustainability of the capital investment. The entity gives much emphasis to precinct-based development, working with stakeholders to enhance areas and address local challenges and needs in a sustainable way through capital investments.

The JDA to achieve its area-based agency mandate, requires the services of professional services to assist in all pre-development work including the completion of strategic plans, studies, assessments, development applications, construction project planning, concepts, designs, technical documentation, construction, and project handover. The aim is to allow the JDA to expediently implement catalytic interventions across the City.

The JDA commonly implements the below-listed nature of area based projects:

- Transportation infrastructure - non-motorised transport and public transport facilities
- Community facilities - Multi-purpose centres, Clinics, Libraries, Sports Centres, Public Parks, Fire Stations
- Strategic Planning - Regional and Precinct Plans, and Urban Development
- Pre/Feasibility and Specialist studies
- Development Applications – Land use, SDPs, Building Plans, Surveyor General, Conveyancing, and Environmental Assessment, Studies sand Applications
