1. INTRODUCTION

The Johannesburg Development Agency (JDA) is requesting quotations from public art curators to submit quotations for the restoration of S-band mural at Louis Botha for 1 month.

1.1 Background

The S-Bend Mural covers a 3000m² wall along Louis Botha Avenue, cutting through the suburbs of Yeoville, Observatory and Upper Houghton. The giant mural was developed around 2019 by the JDA for the City Transport Department. Following themes of transport history, the mural tells stories of movement and migration through Johannesburg, and features various historical and more contemporary modes of transport.

The mural combines a mix of graffiti and street art styles, which are reflective of the diverse make-up of Johannesburg. While much of the artwork remains in good condition, some parts have deteriorated, including areas which have suffered water damage on the western end. The mural artwork has on places suffered surface damage from water penetration, overgrowth and vehicle collision. A specialist skilled mural / graffiti artist team is required to review all damaged surfaces, estimated at 300m² (approximately 10 % of the artwork as a whole).

2. PROJECT SCOPE OF WORK

2.1.1 Removing 4 steel benches which are no longer required for the site. The benches are chemically anchored to the walk with bolts. The bolts will need to be removed and the holes patched.

2.1.2 Damaged areas of the wall are to be repaired and rehabilitated. These areas are to be restored as per the original artwork, which will be supplied as reference.

2.1.3 The original artwork was sealed with a glazetech sealant, and a similar sealant should be applied to the restored areas and to other areas that would benefit from a new layer of sealant.

3. DURATION

This project will be carried out within a maximum period of 1 months.
