- 1. The greater of R8 million or four contracts/projects in the current financial year or
- 2. The greater of R12 million or six contracts/projects over two financial years (current year and previous financial year)

In instances where the value of contracts for **multi-disciplinary** professional service providers (e.g. more than one discipline/service is provided by the same bidder) is either:

- 3. The greater of R12 million or six contracts/projects in the current financial year or
- 4. The greater of R20 million or nine contracts/projects over two financial years (current year and previous financial year)

A risk analysis shall be undertaken on the bidder with the highest number of points obtained, to determine whether the tenderer does not exceed the JDA's risk framework criteria as stated above. In other words, whether it falls within the ambit of the Risk Tolerance Framework as acceptable.
